```
graph TD; A[libastro/satspec.h] --> B[sattypes.h]; A --> C[satlib.h]
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'libastro/satspec.h' has two blue arrows pointing downwards to two white boxes. The left arrow points to a box labeled 'sattypes.h', and the right arrow points to a box labeled 'satlib.h'. This indicates that 'libastro/satspec.h' includes both 'sattypes.h' and 'satlib.h'.
